MEMORANDUM FOR: [redacted]
Office of General Counsel

FROM: Robert E. Fitzgerald
Director, Equal Employment Opportunity

SUBJECT: EEOC Onsite Review

1. Attached is a letter we recently received from EEOC requesting we clear one of their employees to conduct onsite review of our EEO programs. I have made no effort to contact EEOC on this issue as of yet, but I would like a reading from OGC on this question.

2. [redacted] OCA, was in touch with HPSCI some months ago on this question and I believe ne gained HPSCI support to prevent such an inspection.

3. After you have had time to discuss this with your colleagues, I think you, [redacted] and I should meet to plan a response.
